

Call for Candidates of ICSPAH Executive Council Officers

According to the bylaw of ICSPAH there will be two officers ending their serve terms in March 2017. Election for ICSPAH Executive Council members for the vacancies will take place at 2017 ICSPAH General Assembly (March 14-18, 2017) at Boston, MA, the United States. We are pleased to call for candidates for the following positions:

1. President Elect: This is a leadership position with voting power and requires the candidate to demonstrate a strong commitment to ICSPAH. The nominee should have been an active ICSPAH member in the last three years by March 2017. Preferred candidate may have had experience to serve an office either in ICSPAH or other professional associations. This position is one year term followed by the positions of President (one year) and Immediate-past President (one year).
2. Student Representative: This is a position of Executive council member with non-voting status for one year. The candidate must be a currently enrolled graduate student (Master or Doctoral) in an institution of higher education for at least one year.

Each candidate must carefully read the ICSPAH Constitution and Bylaws to know the philosophy, objectives, structure, responsibilities of the positions of ICSPAH and must be willing to carry out the duties voluntarily to serve the society. The candidates must attend the General Assembly meeting of ICSPAH during March 14-18, 2017, Boston, MA. The following materials should be submitted by the deadline of February 15th, 2017. Please send them to Dr. Li Chen at lchen@desu.edu or Dr. Tao Zhang (co-chairs of the committee) at Tao.Zhang@unt.edu.

1. A brief election statement indicating the position you are interested in (President-elect or student representative), your promise to serve if elected, and your future commitment to, and/or ideas for, the ICSPAH (a short paragraph with no more than 300 words).
2. A one-page vita in English.
3. A one-page vita in Chinese.
